**How We Use Your Information:** We may store and process your personally identifiable information to better understand your needs and how we may improve our electronic services and we may use your personally identifiable information to contact you if so requested by you (for example, we may respond to your comments or requests for information).

**Collection and Use of Non-Personally Identifiable Information:** We may collect information about you that is not personally identifiable. Examples of this type of information include IP address, time of visit, the type of internet browser or computer operating system you are using, and the domain name of the website from which you linked to our sites. We use this information to help diagnose problems with our server and to administer our website. We also use it to gather broad demographic information about our users in general. This information does not contain anything that can identify users personally.

Additionally, we may store some information on your computer. This information will be in the form of a “cookie.” Most internet browsers enable you to erase cookies from your computer hard drive, block all cookies, or receive a warning before a cookie is stored. Please refer to your browser instructions or help screen to learn more about these functions.

We will not attempt to tie any personally identifiable information on individual users to non-personally identifiable information.

**Disclosure Practices:** We care about your privacy. We only share your information when necessary. We will not give your personally identifiable information to any outside organization unless required by law.

**Access and Corrections:** You have the right to access and correct your information. Here’s how you can do it: please contact us using the contact information listed above.

**Keeping Your Information Secure:** We are committed to keeping the data you provide us secure and will take reasonable precautions to protect your personally identifiable information from loss, misuse, or alteration. We employ industry standards in securing this information.

**Note on Records Classification:** Personally identifiable information is not classification of records under Utah Code Section 63G, Chapter 2, Government Records Access and Management Act. Access to government records is governed by Utah Code Section 63G, Chapter 2, Government Records Access and Management Act.

**Review of This Notice:** We want you to feel comfortable using our services, knowing that your privacy is respected and protected. We welcome your feedback on this notice, which is reviewed annually.

**Last Revision:** May 1, 2024
